

Max System™ Racks and Carts

*3320 is pictured

3319 Max System™ Rack (18 slot side loader for food boxes and sheet pans)

Ideal for a wide range of food preparation, transport, serving and storage tasks.

- This innovative system is specially designed to work with full size food pans, food boxes, and gastro norm size food pans.
- The components are made of impact-resistant structural web plastic.
- Racks and Carts are designed with soft, rounded corners that are easy on walls, doors and other equipment.
- Heat-resistant plastic construction allows hot baking pans (350°F/176°C max) to be pulled directly from the oven and placed on the rack.
- Quiet handling and upscale design let workers move food directly from kitchen to dining room for fast restocking without repeated trips.
- USDA Meat & Poultry Group compliant.
- All certified to NSF Std. #2.
- All casters are 5" (12.7 cm) non-marking swivel plate design – 2 locking and 2 non-locking.
