

METAL FOOD PANS & LIDS

Food pans are **the back bone of any foodservice operation**. For storing, preparing, and serving, they are a necessity. Only Carlisle offers you **complete versatility with a broad range of food pans** to meet your needs.

DuraPan™ food pans

Double reinforced corners and unique impact resistant edge design help pans hold shape; will not jam together during storage. Tapered pans fit standard food pan templates and will stack or nest with most other leading brands. Versatile 18-8 stainless pans go from freezer to oven to serving line; ideal for cook-chill operations.

DuraPan Covers

- Made of heavy gauge 18-8 stainless steel
- Available in solid or slotted styles
- Recessed handles offer a secure grip
- Notched lids allow easy access for serving spoons

Steam Table Application

DuraPan's impact resistant edge maintains shape better and lays flat, providing a tight seal for better temperature retention in steam tables

Coldmaster® Application

Use DuraPans with Coldmaster Coldpans (shown on pages 111-113) to keep foods cold without ice or electricity

Full Shoulders
Prevent jamming during storage and provide added strength for longer life

Spoonable Bottoms
Add structural rigidity; allows easy access to food and makes clean up easier

DuraPans Covers, Recessed Handles
Large, recessed handles offer a secure grip. Notched lids allow easy access with serving spoons

Double Reinforced Corners
With unique impact resistant edge design holds shape even under the toughest conditions

Adapter Bars

- Use adapter bars with in steam table applications, Cateraides, or other standard transport containers
- Two sizes available to work with full or fractional size pans
