1500 Watts of Power

Provides enough power for professional results, along with energy efficiency for lower operating cost.

Wall Mount

Conveniently locks hair dryer in place and off counter.

Ergonomic Handle

Sleek, contemporary dryer has a contoured handle that's exceptionally easy to hold.

Two Speed Settings

Professional rocker switch with high and low settings gives guests the air and heat control they need.

6 Foot recoiled Cord

Offers your guests the reach they need, yet recoils into a shorter length for easy storage.

ALCI Plug

Features test and reset buttons to ensure shock resistance plus the 8250 boasts a built-in night light.
