HCU045S

3 reasons to buy

Performance

- Speed brewing for fast, fresh-tasting coffee with less wait
- Dual heater system maintains coffee's optimal temperature for better-tasting coffee

Innovation

- Removable tank lifts off the base for easy filling at the sink
- One-hand dispensing fills cups fast for superior service
- Permanent mesh filter keeps coffee grounds out of coffee

Easy to Clean

- After coffee is served, the tank removes for easy cleanup at the sink
- Brushed stainless steel finish hides fingerprints and smudges and is corrosion-free for long-lasting beauty

always there, always durable.™

Stainless Steel Commercial Coffee Urns

These unique urns serve up one-hand dispensing and fresh coffee flavor, cup after cup.

HCU110S / 065S / 045S

Unique Features Included On All Units

Brewstation® Coffee Urns

Speed Brewing - Brews quickly for fresh-tasting coffee.

Innovative Design - Removable tank lifts off the base, so it's the only thing that needs to be carried to the sink for easier filling and cleanup.

One-Hand Dispensing - In a busy buffet line, cups can be filled faster and more easily with one hand, saving time and reducing crowding.

Removable Tank
for fast, easy filling and cleanup (65 cup tank shown).

Dual Heater System
Center Heater brews coffee, then shuts off. Gentle Warming Heater keeps coffee at a constant serving temperature without overcooking it.

One-Hand Dispensing
fills cups fast to shorten the wait.

HCU110S
