

NARROW DISPLAY LIGHTS

Models NLX-18, -24, -36, -42, -48, -54, -60, -66, -72

Hatco Narrow Display Lights with xenon are great for use in tight spaces and keeps the focus on food items being displayed.

FLEXIBILITY

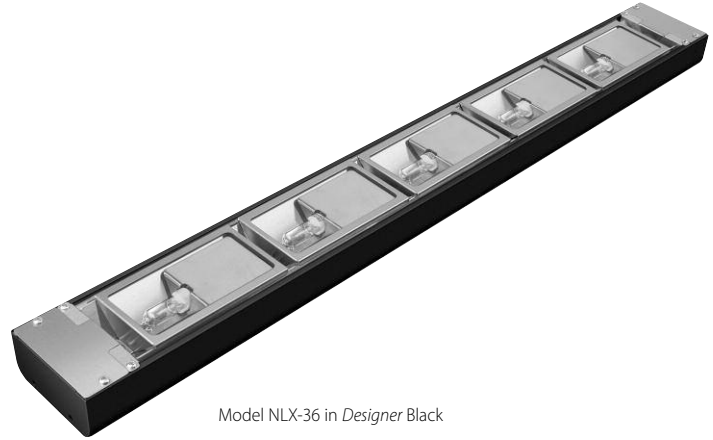

The continuous housings, up to 72" (1829 mm) in width, are available in Stainless Steel, seven *Designer*, six Gloss, and six Plated finishes to match any décor. The xenon lights are controlled by a toggle switch and each model comes with non-adjustable 1.5" (38 mm) angle brackets. Units can be fitted with optional non-adjustable tubular stands which can match the Display Lights in *Designer* or Gloss finishes.

Each unit is ready for installation and includes a remote control enclosure.

QUALITY

The following features assure the finest performance for years to come:

- The slim design with 2.13" (55 mm) height and 4" (102 mm) depth keeps the focus on the food in buffet lines.
- Xenon light source is controlled by a toggle.
- Available in widths from 18" to 72" (457-1829 mm).

Model NLX-36 in *Designer* Black
