HID312 - Ice Machine / Dispenser
Ice and Water Dispenser

The Meridian™ Difference
- Smarter Construction - Durable stainless steel evaporator and exterior panels. Greaseless bearings for reduced maintenance. Larger sink opening and dispensing area. Antimicrobial AquaArmor with AgION™ is molded into key components.
- Space-maximizing design - The industry’s smallest operational footprint relative to capacity. Featuring specially designed contoured sides for enhanced breathability and an external air filter.
- More convenient front access - Removable front panels allow ease of access and service to all key internal components. Including a removable storage bin for better cleaning and maintenance access.
- Enhanced service features - Intuitive LED diagnostic lights reduce service time. Unit specific QR code for quick access to service manuals and warranty history. Convenient USB drive that allows for fast software updates. New removable sink and grill provide maximum access for ease of cleaning.
- Energy and Water Efficiency - Industry leading efficiencies deliver on going savings.
- Quieter operation - Improved condenser fan function.
