

Maintains factory edge up to 10x longer than stainless

Advanced Ceramic™ Knives & Peelers

ADVANCED CERAMIC

Jaccard's Advanced Ceramic™ products maintain their original factory edge up to 10 times longer than even expensive stainless steel knives

FEATURES

- Ultra pure ceramic composition
- Maintains a razor sharp edge for up to 10 times longer than stainless steel knives
- Prevents premature browning of fruits and vegetables
- Eliminates the transfer of metal ions that can alter the taste and smell of fresh foods
- Ergonomic, slip resistant handle design provides unparalleled safety and comfort
- Non-stick blade surface makes clean-up a breeze
- High quality protective sheath included with each knife
- FREE lifetime sharpening
