# KatchAll® Flatware Retrievers

## Features

**Flatware sticks to the magnetic bar.**

### Large opening

allows easy passage of waste into receptacle.

### Constructed of rugged plastic

that withstands harsh kitchen environments.

### Meets board of health codes

for closed refuse containers.

NEW  
DESIGN &  
COLOR  
KA4400

A recent survey found the average flatware loss per shift to be approximately 16 pieces, with spoons outnumbering knives and forks two to one.

A KatchAll® Retriever costs much less than your annual loss in flatware, giving you a quick return on your investment.

\*Magnet bar assemblies will not attract 18/8 or 18/10 forks or spoons, but will catch knives.
