

KD RACKS for SHEET PANS and TRAYS | ALUMINUM

These aluminum racks are extra durable and economical for all-around better value.

- Ships partially unassembled for added savings
- Continuous full welded ledges provide durability
- Welded ledge side panels bolt into cross member frame pieces for additional strength
- Hi-tensile extruded alloy is rust proof, strong and reliable
- 12 and 20 tray capacities are available with spacing of 3" (76) or 5" (127) to best fit your needs

Model	Sheet Pan Capacity		Ledge Description			Overall Size			Case Weight Lbs. (Kg)	Case Cube Cu. ft. (m³)
	Full	Half	Type	Width	Spacing	W	D	H		
8567	20 ea.	40 ea.	Angle	1-1/2" (38)	3" (76)	20-1/2" (521)	26-1/2" 673	69" 1752	39 (17.5)	8.3 (.23)
8568	12 ea.	24 ea.	Angle	1-1/2" (38)	5" (127)	20-1/2" (521)	26-1/2" 673	69" 1752	32 (14.4)	8.3 (.23)

Measurements in () denote metric millimeters, unless otherwise specified. Lake-Glide® Casters: 5" (127) - All swivel, No-Mark® polyurethane. All KD Racks ship unassembled.

"Z" TYPE NESTING PAN and TRAY RACKS | ALUMINUM

The "Z" type nesting rack is specially designed for the most compact storage.

- Innovative "Z" design allows racks to fit together when empty to take up less space when you need to store multiple racks
- Six "Z" type racks occupy 14.9 sq. ft. versus six standard racks occupying 22.4 sq. ft.
- Angle style ledges are welded to the uprights to withstand continual use
- Corner mount plate type casters provide upright stability

FACTORY INSTALLED OPTIONS:

- Vertical Bumpers, non-marking black rubber strip (set of 4). Note: This option adds 1" (25) to the width and depth of the unit.
- Lake-Glide 5" (127) plate casters with brakes (set of two)

Model	Full Size Sheet Pan Capacity	Ledge Description			Overall Size			Caster Type	Caster Dia.	Case Weight Lbs. (Kg)	Case Cube Cu. ft. (m³)
		Type	Width	Spacing	W	D	H				
8521	20 ea.	Angle	3" (76)	2" (51)	20-1/2" (520)	26" 660	69-1/2" 1765	Plate	5" (127)	72 (32.4)	24.6 (1.4)

Measurements in () denote metric millimeters, unless otherwise specified.

EXTREME DUTY® ROLL-IN COOLER RACKS | STAINLESS STEEL

This extreme duty rack is ideally suited for the toughest foodservice environments.

- All-welded stainless steel construction resists corrosion in "high moisture" refrigerated environments
- No pry points qualifies this rack for use in correctional facilities
- All swivel 5" recessed plate casters roll easily on various surfaces
- Convenient 1- 1/4" (32) wide angle ledges with 3" (76) spacing between ledges
- Stainless steel is easy to clean and sanitize

High strength heliarc welded ledges.
