# Heavy Duty Floor Model Electric Fryers - 40 lb. and 65 lb.

The Cecilware Electric & Gas Floor Model fryers are designed with the foodservice operator in mind. We have built an

### Features

- ✓ **Economical To Operate** - Maximum efficiency with a balanced electrical load.
- ✓ **Mechanical Temperature Controls**
- ✓ **Trouble Free, Low Watt Density, Fixed Elements**
- ✓ **High Energy Incoloy Elements** - provide fast recovery.
- ✓ **Robertshaw High Limit and Automatic Temperature Controls** - insure accurate, safe fryer operation. Conserve energy and save money.
- ✓ **Melt Cycle Controls** - standard on all models.
- ✓ **Oversized, Full-flow 1.25" Drain Valve** - makes draining effortless.
- ✓ **Tough Unibody Construction**
- ✓ **All Controls Are Easy To Service and Accessible From the Front of the Fryer.**
- ✓ **Options:** Locking & regular casters, single fry baskets, banking strips

# FRY-SAVER<sup>®</sup>

The Only Filtration System That Doubles the Life of Cooking Oil!

Automatic  
Reversible Pump

Compact Design

## Why Leading Chain Store Restaurants Prefer the FRY-SAVER<sup>®</sup>

No  
Diatomaceous  
Earth  
or Chemicals  
Needed!

- ✓ **Keeps Oil At Peak Quality** - Improves the taste of fried foods by removing contaminants > 3 microns.
- ✓ **Reduces Oil Cost To Keep Profits High** - Doubles the life of oil.
- ✓ **Super Fast Filtration Process** - Processes 3 ½ gallons of oil in 1 minute.
- ✓ **Safe, Automatic, Reversible Pump** - No pouring, spilling or spattering. Oil is pumped into the completely enclosed unit, thoroughly filtered, and at the flip of a switch pumped back, absolutely clean.

# Reasons FRY-SAVER® Works Better Than Other Filtration Systems

- ✓ Pleated filter design provides 15 times more filtering area than other filters. Long life FRY-SAVER® pleated cartridge filters are replaced only when pleats become full.
- ✓ Does not require Diatomaceous Earth or other harsh chemicals that can leave residue in oil.
- ✓ The only filter system that removes microscopic oil-killing contaminants.
- ✓ Filter Cartridge and Pre-Filter Paper - filters and cleans up to 1,500 lbs. of oil or fat.

Oil Savings Calculations - Filtering Once Per Day				
	Not Filtering	Cecilware FRY-SAVER®	Leading Competitor	Insert Your Figures
<b>A</b> Lbs. of Oil Used Per Day	40	40	40
