

Camshelving® Elements Series

4-Shelf Vented Shelf Kits for Stationary Units

Shelf Kits with Camguard® Antimicrobial

2 Shelf Widths

18" (460 mm), 24" (540 mm)

3 Shelf Lengths

36" (910 mm), 48" (1220 mm), 60" (1530 mm)

4-Shelf Kit includes:

Vented shelf plates for 4 shelves, 8 stationary traverses, 1 bag of 32 stationary traverse dovetails (16 ea. A & B), and instructions.

Features & Benefits

Strong Technology

Posts and Traverses are built using advanced manufacturing technology and the use of a non-corrosive composite material. The robust design along with unique composite material gives Elements an unprecedented longevity, durability and weight-bearing capacity in the industry. Shelves up 48" (1220 mm) long hold up to 800 lbs. (363 kg) evenly distributed static weight. Shelves 54" – 78" (1380 mm – 1980 mm) long hold up to 600 lbs. (272 kg) each. Shelves connected by Corner Connectors hold up to 400 lbs. (182 kg) on a 36" (910 mm) to 48" (1220 mm) traverse.

Hygienic Design

Camshelving Shelf Plates contain Camguard® antimicrobial, a silver-ion technology that inhibits the growth of mold, fungus and bacteria that may cause odors, stains and product degradation. Camguard is incorporated throughout the shelf plate material so that it will never wash off or wear out. The shelf plates remove easily and can be placed in an open end Camrack® (OETR314) for washing.

Shelving for Life

Non-corrosive design will endure all areas of operation – dry-storage, coolers, warewashing, freezer and heavy condensation and humidity settings – without risk of rusting, peeling, denting, cracking or warping. Functions in temperatures down to -36°F (-30°C) or warm environments up to 190°F (88°C).

Requires minimal assembly

Can be put together with the use of a rubber mallet. Two-piece dovetails secure Traverses so they can be set easily into place.

Flexible Design

Shelves can be easily adjusted at 4" (102 mm) increments.

Item No. _____

Specifier Identification No. _____

Model No. _____

Quantity _____

Four Shelf Unit with Vented Shelf Plates.

Vented shelf plates for 4 shelves, 8 stationary traverses, 1 bag of 32 stationary traverse dovetails (16 ea. A & B), and instructions.

Approvals

Components

* Does not include Wall Fastener and Seismic Foot.
