Marking/Stocking Trucks

CHROME CONSTRUCTION

Applications: Multi-Purpose cart for stocking, marking and transporting product in retail, warehouse and office environments. Visually distinctive bright nickel chrome plated finish makes unit perfect for front or back of the house.

Construction: All welded plated steel construction with wire mesh top shelf or galvanized top cover and tubular bottom shelf.

Casters: 5" polyurethane. Non-marking tough abrasion resistant wheel. Two swivel and two rigid casters. Casters are securely bolted to frame to facilitate replacement.

Capacity: 550 lbs.

Marking/Stocking Trucks

GALVANIZED CONSTRUCTION

Applications: Multi-Purpose cart for stocking, marking and transporting product in retail and warehouse space.

Construction: Heavy duty galvanized top shelf. All steel tubular frame for maximum support. Tubular bottom shelf. STKG400 has a solid bottom galvanized shelf.

Casters: 5" polyurethane. Non-marking tough abrasion resistant wheel. Casters are securely bolted to frame to facilitate replacement. Rolls easily on two swivel and two rigid casters.

Capacity: 700 lbs.

Options: Corner Bumpers (2022)
Caster Brakes (2011)
