

SCRR490

82.63" x 54" x 32.25" (H x W x D)

Commercially approved 46.6 cu.ft. reach-in two-door refrigerator in complete stainless steel; replaces SCRI490

Highlights:

Complete construction in durable 304 grade stainless steel

Two self-closing doors are ideal for busy locations and will stay open when pulled to 90° for easy loading

Digital thermostat with external readout for easy and accurate temperature control

True frost-free operation saves you maintenance by preventing icy buildup

Product Features:

Complete stainless steel construction	304 grade stainless is simple to clean and built to last
Commercially approved	ETL-S listed to NSF standards for commercial use
Frost-free operation	No-frost system simplifies maintenance
Self-closing door	Closes to save energy but will remain open when the door is opened at a 90° angle
6 inch casters	Self-locking casters for portability and more sanitary cleanup
Adjustable shelves	Slide-out shelves can sit on any level inside the refrigerator
Digital thermostat	Easy push buttons and an external temperature readout for precise temperature management
Front-mounted lock	Keep contents secure with a key lock on each door
Interior light	Automatically illuminates when you open the door
