

## Aluminum Double Boilers

Made in U.S.A. NSF Certified

- Ideal for delicate food preparation, reheating, preheating and moisture free cooking
- Solid welded aluminum handles for durability and easy interior cleaning
- Ships complete with pot, inset and cover
- Eliminates the need for constant stirring
- Standard gauge impact-resistant energy-efficient 3004 aluminum
- Heat is spread evenly along base and sidewalls
- Double-thick rims remain round for a better cover fit
- Double-thick bottoms help resist denting
- Beadless rims for easy cleaning
