

# Underbar - Liquor Displays & Speed Rails

18 gauge, 300 series stainless steel.

Designed to store and organize commonly used liquor bottles.

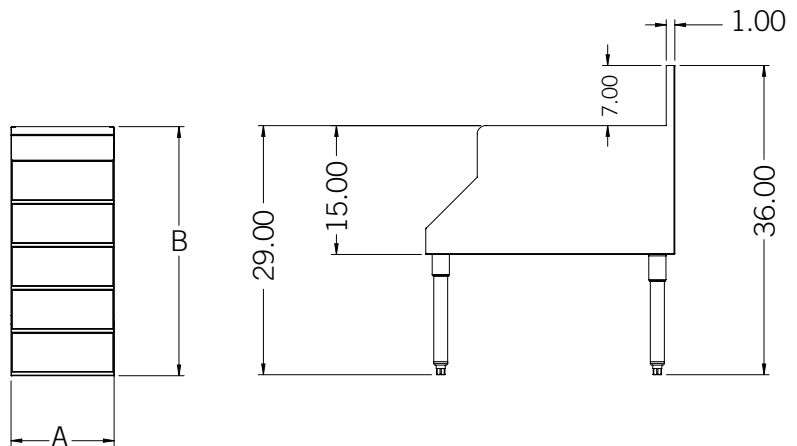

## Liquor Display

16 gauge galvanized steel legs with adjustable 1" bullet feet.  
 Specially designed steel guards keep bottles secured on shelf.  
 Features a common 29" working height with 7" backsplash.  
 Each tier fits bottles up to a 4.5" diameter.  
 Offered in 19" or 24" widths.  
 Four- or five-tier display options.  
 NSF Certified.
