

NEW

Banquet Tree™ Rectangle Plate Holder

Introducing a new Banquet Tree Plate Holder from World Tableware!

This latest Banquet Tree Plate Holder fits WTI'S Slate Plate #SL-25. This is our largest Slate plate therefore making it perfect to hold more food on the Banquet Tree. And, as with all Banquet Tree Plate Holders, this new one comes in a pack of four, thus increasing flexibility in configuring the Tree for the right occasion!

Features & Benefits:

- Plate holder locations can be customized around the pillar giving the operator maximum flexibility
- Substantial size (28" tall!) accommodates vast amounts of food to minimize refills by the servers
- Tree is comprised of individual components so that the operator may choose the exact plate shapes desired
- Plate holders are labeled with the exact dinnerware item number that fits, enhancing re-order accuracy!

Item No.	Description	Corresponding WTI Dinnerware Item	Pack	Ctn. Wgt.	Ctn. Cube	2014 USA List Price/Set
BT-1g	Large Rectangle Plate Holder	SL-25	4 pc. set	9#	.4	

Banquet Tree is comprised of components. The Base (BT-BASE) and Pillar (BT-PILLAR) are the foundation of the unit and are needed to form the Banquet Tree. Each Plate Holder shape is optional but we recommend starting with one set of every Plate Holder Shape and one Crown Plate Holder. The corresponding World Tableware ceramic dinnerware items are not included as part of the Banquet Tree.
