# T26 Hercules®

## Safety/Anti-fatigue Matting - Metric Size

Available Colors: Black, Red

Hercules® is a light weight anti-fatigue mat that comes in metric sizes and is available in general purpose (black) and heavy-duty (red) rubber compounds for varying degrees of grease and oil protection. Its' large hole design provides excellent drainage removing liquids and debris from the worker platform and its' lightweight construction makes it easy to handle. An aggressive anti-slip top surface enhances traction in wet or greasy environments.

### General Purpose Black

| QUALITY METER     | FAIR | GOOD | BETTER | BEST | ULTIMATE |
|-------------------|------|------|--------|------|----------|
| grease resistance |      |      |        |      |          |
| comfort           |      |      |        |      |          |
| drainage          |      |      |        |      |          |
| wearability       |      |      |        |      |          |
| traction          |      |      |        |      |          |

### Grease-Resistant Red

| QUALITY METER     | FAIR | GOOD | BETTER | BEST | ULTIMATE |
|-------------------|------|------|--------|------|----------|
| grease resistance |      |      |        |      |          |
| comfort           |      |      |        |      |          |
| drainage          |      |      |        |      |          |
| wearability       |      |      |        |      |          |
| traction          |      |      |        |      |          |

### Application Requirements:

Flexible configurations, some exposure to grease, oil & water, drainage & comfort, metric size

Drainage

Anti-Slip

Anti-Fatigue

Food Service

Food Processing

- Available in general purpose (black) and heavy-duty (red) rubber compounds for varying degrees of grease and oil protection
- Aggressive anti-slip surface for better traction
- Drainage system removes liquid and debris from worker platform
- For those that prefer metric sizes
- Overall thickness: 7/8"
- Stock Sizes: 39" x 58.5", 39" x 39", 39" x 29.25", 39" x 19.5"
