

**Application Requirements**

Flexible configurations, some exposure to grease, oils & water, drainage and comfort, beveled edges for cart traffic, easy handling

- Available in general purpose (black) and heavy-duty (red, gray) rubber compounds for varying degrees of grease and oil protection
- Lightweight design for easy handling and cleaning
- Molded-in beveled edges to reduce trip hazards
- Drainage system removes liquid and debris from worker platform
- Mat connectors available
- Overall thickness: 1/2"
- Stock Sizes: 3' x 5', 3' x 10', 3' x 15', 3' x 20'
- Warranty: 1 year limited warranty (black), 3 year limited warranty (red, gray)

Tek-Tough Jr.® is an all purpose anti-fatigue mat with molded-in beveled edges for a more workstation oriented environment. Available in general purpose (black) and heavy-duty (red, gray) rubber compounds for varying degrees of grease and oil protection, Tek-Tough Jr.® has a lightweight design making it perfect for applications where the mat is routinely moved for cleaning. A large hole drainage system facilitates the removal of liquids and debris from the work area and the molded-in beveled edges reduce trip hazards and allow for easy access onto and off of the mat.
