F Shavatron

#1020

Now ice shaving is even easier with this user-friendly model that features an oversized ice case and improved automatic feed capability. Uber-quiet and highly effective, this 120-V shaver uses a 1/2 hp Brute Force Motor to drive its geared belt system, and includes a lighted header. Also available, #1020EX (230-V, 50 Hz) Export Model.

G Sno-Flake

#1886

It's the little brother to the giant #1888 Sno-King but packed with the same durable construction and high-power motor. Count on this compact machine's hefty 1/4 hp motor to deliver perfect servings, plus it's UL and UL Sanitation listed.

H Insulated Sno-Kone® Chest

#1025

Here's the absolute all-in-one ice chest and movable merchandiser. Pack this insulated chest to the max with up to 90 lb. of ice, then use the heavy-duty 6" casters to roll it where you need. Supports most Sno-Kone® and shave ice machines, and includes a side shelf and drain valve.

*Machine sold separately.

I Shav-A-Doo II Shaver

#1903

It's a one-two punch with this Shav-A-Doo setup, an ideal duo for on-the-spot selling and one-time events like festivals, carnivals and more. Its easy-to-operate, mounted shaver head fits snugly over the ice case. Also available separately, #1906 Shaver and Aluminum Cap and #1907 Ice Case.

J Shavette Little Shaver

#1006

Little? Not likely. This simple 120-V machine is built to take on up to 500 lb. of ice per hour. It's a smart little powerhouse of an ice shaver, and comes complete with an ice pan and scoop. Also available, #1006EX Export Model (230-V, 50 Hz) and #1006DC Battery-Operated Shavette with 12-V Motor.

K Shav-A-Doo

#1803

The simplified Shav-A-Doo that still works ice-shaving magic. Packing the same punch as the #1903 Shave-A-Doo II Shaver, this model is a great base to build any Sno-Kone® business upon. This model does not include a motor cover, so is not UL listed. Also available, #1207 Aluminum Drip Pan.

L Deluxe Sno-Konette

#1002S

Want to take it up a notch? Go deluxe with this stainless steel dome model that features an illuminated sign and is UL Sanitation approved. Just like the classic #1003S Sno-Konette, this 120-V shaver can tackle up to 500 lb. of ice an hour, and includes a cup dispenser, ice scoop, drain pan and #1088 Sno-Kone® Dipper.

Also available:

#1002EX Export Model (230-V, 50 Hz)

#1160 Optional Door Kit

#1161 Folding Door Kit

(can be retrofit)

M Shav-A-Doo with Motor Cover

#1203 Shaver

#1203D Shaver with Hinged Door

Among our most dependable and best-selling compact Sno-Kone® models, this Shav-A-Doo machine goes the distance as a UL-listed shaver that is also supremely affordable. Choose the hinged door model, and you can shave easy knowing that it meets or exceeds even the most stringent health regulations. Both models include a removable Sno-Pan with drain and tubing. Also available, #1207 Aluminum Drip Pan and #1215 Optional Door Kit.
