## 3015A - X-15A Stainless Steel Whirlwind®

Pricing, specifications and availability are subject to change without notice. Images are for representation purposes only and may depict items that are sold separately.

It's a true original and still setting standards in the cotton candy industry even 50 years later. The X-15A Stainless Steel Whirlwind® #3015A delivers high output without a high cost with the 1/3 hp heavy duty motor! The cotton candy maker features two 5.5" Ribbon heat elements. The Electronic/Accu-heat control maintain consistent voltage and heat throughout the cotton candy production. The X-15A Stainless Steel Whirlwind® can make up to 4-5 servings per minute for concessions, schools and festivals.
