

Item No. _____

Model Number: 4190

Description

ONION BLOSSOM CUTTER

“Colossal”...“Magic”...“Bloomer”... you name it, this is the Giant Onion that is cut, soaked, battered and “opens up” when it hits the 375 degree cooking oil in a King 9 Fryer. Gas Corn Dog Fryer shown on page 58.

Here is the “Flowerin’ Onion” cutter. Start with a Colossal size onion – follow instructions – cut most of what you’ll need for tomorrow’s sales – soak overnight – then batter/bread and deep fry. Normal food cost varies according to the scarcity of Colossal Size onions – retail is \$5.00 or more. A very profitable item.
