**Description**

**WAFFLE BOAT DISH BAKER**

The waffle produced by this machine is “boat-like” in shape, and offers a world of possibilities to create your own “specialty of the house”. You can make a Fruit Boat by filling it with fresh fruit, maybe topped with whipped cream. Also can be filled with ice cream and toppings for a “Super Sundae”, or use some of our Strawberries and Creme soft-serve mix. Make a “Walk-O-Dog” open faced hot dog sandwich, with toppings. As a breakfast item can be filled with scrambled eggs. The possibilities are endless.
