8160 - Small Fence Grill

All other "reciprocating" (fence) grills are the same. The Grilla gives you what others don't:

- Actual "grill" marks on every hot dog-just like you get on your backyard barbecue. People love them!
- "Non stick easy clean cook surface.
- "Juice" separation. Juices come down vertically to the juice tray.
- Wider spacings to allow for today's Jumbo 1/4 lb. hot dogs! It will take any hot dog.
- Prevents burning. All hot dogs roll at least 1 1/4 turns with each "trip". Even if they come out of the freezer square, they will eventually roll and take on the grill marks.
- Dual heat controls.
