

MSK AND MSKL TABLE TOP MEAT AND BONE SAW

Fleetwood by Skymssen's two medium duty Meat and Bone Saws are designed for mid sized Butcher Shops and Restaurants. Model MSK is constructed of steel with paint finish, while model MSKL is all stainless steel. Both models have a 8" cutting clearance. Ideal for those with limited space but requiring a saw capable of cutting all types of products.

MEAT AND BONE SAWS MSK AND MSKL

Both MSK and MSKL have easily removable upper and lower wheels with smooth surfaces for easy cleaning. Both upper and lower doors easily lift off for cleaning. Adjustable guide slides down to expose only blade that is being used. Both models come standard with cut regulator that provides slices with same thickness and a stainless steel moving feed tray with a smooth attractive design that permits easy cleaning for sanitary requirements.
