Wells Countertop Electric Fryer

Single Pot/Twin Baskets LLF14 F15

Twin Pots/Single Basket F30

F15

DESCRIPTION

Wells electric fryers are built for maximum efficiency and quick product turn-around. These units come in a variety of sizes and are designed for countertop operation to fit a variety of operations and locations.

SPECIFICATIONS

Wells electric fryers will be constructed with a stainless steel body and will have a stainless steel kettle. These will use immersion heating elements, which swing up for easy cleaning. Fryers will have a removable stainless steel kettle for easy straining of oil/fat. The fryers will use snap-action thermostats that allow for a temperature range of 200°F (93°C) to 375°F (191°C). Two baskets will be supplied with each fryer. LLF14 and F15 models will come wired with an appropriate plug based on the model's power ratings and certification requirements. F30 models will be set up to hard wire and will not included a cord or plug. All units will have a built in high limit safety thermostat. F15 and F30 models will be UL and cUL certified. LLF14 models will be UL certified only.

WARRANTY

These units come with a one [1] year warranty for parts and labor.

FEATURES

- Snap-action thermostats provide responsive temperature control from 200°F (93°C) to 375°F (191°C)
- Immersion-type heating elements provide even heat distribution and swing up for simple maintenance
- Removable baskets allowing for easy rotation and cleaning
- Kettles are easily removable for straining
- Compact design for maximum cooking while using minimal counter space
- Safety thermostat to avoid potentially dangerous temperatures

MODEL	514LL	F15	F30
OIL CAPACITY	14 lb. (6.4 kg)	15 lb. (6.8 kg)	30 lb. (13.6 kg)

OPTIONS & ACCESSORIES

- Extra fry baskets [left side ends in L, right side in R]
 - 21506**—Same as those that come with LLF14 models
 - 515FBL/515FBR**—Same as those that come with F15 model and as a pair can replace one 530FBL or one 530FBR on F30 models
 - 530FBL/530FBR**—Same as those that come with F30 models and can replace a pair of baskets on F15 models to use a single basket

CERTIFICATIONS

¹LLF14 is not cUL/CSA certified
