

SS-276ULT BUILT-IN RECTANGULAR WARMER

SS-276ULT BUILT-IN RECTANGULAR WARMER

Wells SS-276ULT Built-In Rectangular Food Warmer is designed for top mount installation. This dependable and practical unit is made with a heavy-duty 12" x 27" stainless steel warming pan and is thermostatically controlled.

Features

- **1/3 larger capacity** than standard 12" x 20" units.
- **Warming pan is deep-drawn, stainless steel** construction for maximum strength and durability.
- **The tubular element**, located under the warming pan, allows for quick heating.
- **The positive-off thermostat** controls the element allowing for adjustable and more consistent temperatures. A signal light indicates that the heating element is energized.
- **Control** is recessed in a one-piece, drawn, stainless steel panel to help prevent accidental temperature changes.
- Available with **optional drain (D)**.
- **Wellslok** provides quick and easy installation in stainless steel countertops.
- Warmer is designed for **wet or dry operation**.
- **The SS-276ULT/TD Warmers** are Underwriters Laboratories, Inc. LISTED and meet NSF International and Canadian standards.
- **A one-year warranty** against defects covers parts and labor.
