

# **RESTAURANT SERIES RANGES** SERIES: BP-60"

Bakers Pride<sup>®</sup> 60" ranges feature two 40,000 BTUH ovens. Choose from a variety of stovetop configurations: a ten-burner range, a single 60" griddle, or two, four, six, or eight burners combined with a 12", 24", 36", or 48" griddle.

Cleaning is easy thanks to the lift-off burner heads and removeable oven doors. The cast-iron section grates are designed to allow pots to slide from section to section and are engineered with an anti-clogging shield for longlasting performance. In the oven, a unique burner baffle distributes heat evenly throughout the oven, which is also porcelainized on five contact surfaces.

For even more control within the cooking chamber, choose the optional convection oven. Simply turn the motor off to use it as a standard oven.

Available for use with natural gas or liquid propane.

## VANTAGE STOVETOP CONFIGURATION

## FEATURES AT A GLANCE

- 40,000 BTUH burners
- Lift-off burner heads
- Natural or LP gas
- Two 26.5" (673 mm) wide, 40,000 BTUH ovens
