

DANTE SERIES COUNTERTOP CHARBROILERS SERIES: CLASSIC XX

TOAKERS PRIDE

Bakers Pride[®] XX series charbroilers are designed for heavy-duty broiling in a low-profile, countertop design. Models come in a range of widths (from 26" to 53") with four to ten burners. The charbroilers in this series feature durable stainless steel construction and an output of 18,000 BTUH per burner for high yet energyefficient performance.

This series also comes standard with cast-iron top grates, stainless steel radiants, and aluminized steel burners. Grates may be adjusted in three separate titling positions for increased flexibility and temperature control. The interior combustion chamber is fully welded from hot-rolled steel for extra durability.

This series also offers many options to suit your needs, such as Glo-Stones for enhanced flavor and work decks for added convenience.

FEATURES AT A GLANCE

- 13.25" (337 mm) tall
- Aluminized steel burners every 4.87" (124 mm)
- 18,000 BTUH per burner
- Individually operated control valves
- Natural gas or liquid propane
- Cast-iron grates (standard) or floating rod, fish, or meat grates
- Grates are 24" (610 mm) long with 3/4" (19 mm) rib spacing
- Adjustable grates with three titling positions
- Stainless steel radiants
- All stainless steel exterior, slideout grease drawer, and 4" (102 mm) legs
- 3/4" (19 mm) NPT rear gas connection
- Pressure regulator
- One-year limited warranty

OPTIONS & ACCESSORIES

- Glo-Stones (field-convertible)
- Cast-iron radiants
- Stainless steel, front-mounted work deck (with or without saucepan cut-outs)
- Richlite front-mounted work deck
 (with or without saucepan cut-outs)
