

POT & PAN
 Chemical Sanitizing
 Pot & Pan Single Rack
 Straight/Corner Dishwasher

Corner Model

AH Model

SB Model

Optional Temp-Sure™ heater assures a continuous supply of 140°F hot water that guarantees excellent results.

FEATURES:

- 40 racks / 160 covers per hour.
Models AH & C
- 80 racks / 320 covers per hour.
Model SB
- All stainless steel construction assures long life and years of trouble free operation.
- Unique spray arm system features upper and lower stainless steel wash arms with reinforced end caps. Specially designed pull-pins allow wash arms to be easily removed for cleaning.
- Pump purging system improves results by eliminating soil and chemical carryover during rinse cycle.
- Top mounted controls include built-in chemical pumps and deliming system that assures proper chemical usage.
- Auto start/stop makes operation safe and easy.
- Large 27" high door opening accommodates larger items and utensils.
- Integrated scrap tray prevents food soil from entering drain system.
- Stainless steel impeller offers extended life and service.
- Two dishracks included.
- Built-in strainer in water inlet to prevent water valve from clogging.

Available Options

- Solid/Powder Dual Bowl Dispenser
- CMA Temp-Sure™
(Self contained 12kW heater)
- Sanitizer Alarm
- Stainless Steel Dishtables
- Alternative Cycle Times
- Alternative Electrical Available for Export
- Stainless Steel Scrap Trap Upgrade
- Slant Shelf 27"X42"

Summary Specifications: Model S

CMA Energy Miser model S low temperature, chemical sanitizing commercial dishwasher meets NSF and UL sanitation and construction standards WITHOUT the use of BOOSTER or TANK HEATERS. The model S is constructed entirely of stainless steel. Each unit automatically washes, rinses and sanitizes food service utensils in standard 19-3/4" x 19-3/4" racks and accommodates oversized plates and utensils with a 27" high door clearance. Unit comes standard with upper and lower stainless steel wash arms. The model S incorporates a pump purging system that improves results by eliminating soil and chemical carryover during rinse cycle. **Note: This machine does not have built-in heaters, therefore produces no steam.**
