

# CONTOUR COVERS

## DISCOVER THE SLEEK STYLING OF CONTOUR COVERS

The contemporary design fits over banquet tables with no pinning or clips. The snug form fit not only eliminates wrinkling, but makes them great for outdoor events. Made from polyester / spandex blend, they are machine washable / dryable for easy care and flame retardant for safety. The covers are available in rectangles and rounds. For an updated look, mix and match separate caps with your existing covers.
