# Premium Heavy-Duty Frozen Slicers

## Frozen Meat Slicer

*Great for Mongolian BBQ, Carna Asada, Shabu Shabu or Hot Pot!*

S13-F

### Models

- S13-F (Manual)
- S13A-F (Automatic)

### Standard Features

- Patent pending anodized aluminum design & construction for quick and easy cleaning
- Patent pending indexing system enables accurate and precise slice thickness adjustment up to 1-1/8"
- 13" serrated German steel knife with hardened edge provides quality slices and higher yield
- Tilting carriage accommodates up to 13.75" h, 8" dia., 11" w large products, like prosciutto, mortadella and bacon
- 50°, 13" tall gravity feed carriage improves productivity
- Advanced meat grip design for superior product hold
- 1/2 HP continuous use knife motor combined with the high efficiency knife drive system delivers optimum power
- No voltage release prevents inadvertent reactivation of slicer in the event of interlock or power interruption
- Interlock prevents slicer from operating without the knife cover in place
- Kickstand to facilitate ease of cleaning

### Standard Automatic Features

- Patent pending graphic user interface with Clear Text LCD display provides operator messages, diagnostics and system information
- Return to Home feature returns carriage to home position when powering off motor
- Single speed for optimal frozen slicing
- Carriage tilt interlock – prevents knife exposure when carriage is tilted
- Variable speed brushless auto mode motor delivers 3ft. lbs. of peak torque
- Patent pending auto engagement system ensures no slippage
- Lift lever to facilitate ease of cleaning

### Warranty

- Two year parts and labor

### Optional Accessories

- Food Fence
- Vegetable Hopper
- Slicer Cover
- Slaw Tray
