RENEWAL™

A modern take on cut glass

Master's RESERVE®
LUXE COLLECTION

Renewing Brilliance

Glass can be functional, beautiful – and in the hands of an artist, it can transform into a masterpiece. Nothing in the history of glassmaking may prove this more than the stunning works of cut glass that enchanted our nation around the time of its centennial. This was known as the Brilliant Period, and Libbey® proudly played a pivotal role.

Today, we're enhancing our industry-leading Master's Reserve with a new selection of modern, handcrafted cut glass. Master's Reserve Renewal™ honors the form's traditions while embracing modern sensibilities, with designs that bring cut glass into the 21st century.
