REDUCES

CROSS-CONTAMINATION

Easy hands-free operation makes it unnecessary to touch the roll of paper towels, thus reducing the risk of cross-contamination.

QUICK

EASY INSTALLATION

Bracket and template minimize the tools required for a quick and easy installation. Additionally, the unit can be powered by 4 D batteries or the included AC power adapter.

CREATES

LESS WASTE

By dispensing towels in perforated increments, the user is encouraged to take only what is needed. Any excess towels are automatically retracted.

EASY

LOADING

Paper towel rolls are easily placed within the dispenser, requiring no disassembly or spooling rod. Any standard household paper towels can be used.
