SRS SERIES SALAMANDERS

Sierra's SRS series are commercial infrared salamander broilers with gas power of 20,000 BTU (SRS-24) or 40,000 BTU (SRS-36). These units have stainless steel construction making the broilers durable while preventing corrosion. Each burner is individually controlled and has ignition by standing pilot. Comes with a nickel chrome plated rack with four adjustable positions.

SRS-36

The included wall mount brackets allow positioning the salamander on a wall for easy access and to save counter space.

4" stainless steel counter-top legs or range mount kit are optional.

STANDARD FEATURES

- 🔥 Fully stainless steel exterior.
- 🔥 Gas pressure regulator.
- 🔥 Two steel wire mesh infra-red burners, each individually controlled (SRS-36).
- 🔥 Ignition by standing pilot for each burner.
- 🔥 Comes with one nickel chrome plated rack.
- 🔥 Rack has four adjustable positions.
- 🔥 Wall mount brackets included.
- 🔥 Rack carriage assembly rolls out for ease of loading and unloading.
- 🔥 Heavy duty springs counter balance the assembly.
- 🔥 Full width grease deflector channels hot drippings to a large capacity drip pan.
- 🔥 Drip pan and rack carriage assembly are easily removed for cleaning.
- 🔥 The SRS is shipped from the factory, ready for natural gas installation. An LP conversion kit is included with each unit.
