

These bottle coolers will keep all of your beverages cold and ready to serve. Perfect for any size bar, pub, or restaurant that operates in a high-volume setting. These bottle coolers have a painted aluminum interior for easy cleaning and a black-coated steel exterior for a sleek look that goes well with any bar setting. Stainless steel sliding lids on the top allow for easy and quick access to the beverages inside the unit. Plastic-coated steel dividers help you keep your beverages organized, while the built-in bottle opener and cap catcher will keep your work area clean and free of debris. The lids are lockable so that the beverages inside the unit stay safe after hours. These models are ETL and ETL Sanitation listed. They are backed with a 1-year warranty on parts and labor; and a 5-year warranty on the compressor.
