

These glass door merchandisers are a great way to display cold drinks, food, and any other grab and go items sold in your establishment. These units are perfect for convenience stores, delis, markets, and so much more. With their anti-fogging glass and illuminated interiors, the products inside will always be highly visible to your shoppers. The self-closing door ensures the internal temperature stays at the desired temperature no matter how many times they are being opened. These units come standard with plastic-coated steel shelves that are easily adjustable, and a front mounted LED temperature display. These models are ETL and ETL Sanitation listed. They are backed with a 1-year warranty on parts and labor, and a 5-year warranty on the compressor.

Features

Refrigeration System

- Uses environmentally friendly R290 refrigerant
- Bottom-mounted cooling unit slides out for easy cleaning and maintenance, and allows for storage on top of the unit
- Maintains a temperature range of 32°-41°F
- Rugged-built axial evaporator fan runs efficiently, with low-velocity and high-volume air flow

Cabinet Construction

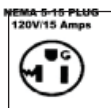

- Black coated steel exterior for a sleek appearance
- Painted aluminum interior liner allows for easy cleaning
- The cabinet is insulated throughout with a foamed-in-place high-density cell polyurethane insulation

Shelving

- Adjustable, plastic-coated steel shelves that have a load capacity of 90 lbs each
- Specially designed stainless steel racking system allows for easy shelf height adjustment and gives the user the ability to slide out the shelf to better reach the food inside

Electrical Control

- Front LED temperature display for easy viewing of internal temperature
- Temperature controller initiates automatic defrost schedule for worry free use
- 7-foot power cord with NEMA 5-15 plug

Door(s)

- Large glass doors that provide high visibility, with anti-fogging coating
- Positive self-closing doors with microswitch that shuts the evaporator fans off when the door is open
- Self-closing door keeps the cold air in and helps keep internal temperature at a consistent level
- Removable door gasket for easy cleaning

Model Features

- Interior lighting provides greater visibility for merchandising
- Colorful, lighted graphics on top of the unit helps to draw in customers
