- Width 36"
- Depth 30"
- Height 79-1/2"

Attributes

- 34" x 53-1/2" Triple Pane Glass Door
- 1/3 Horsepower Compressor
- 7.2 Amps

Models Available

- Auto Defrost
Capacity: 50 10 lb. Bags (*approx.*)

Standard features:

- Water-tight lock-form seam construction for a stronger and more durable cabinet with all steel construction.
 - Premier quality construction with the straightest edges and minimal foam bleed.
 - 'Box Frame' constructed for optimal strength and increased resistance to freight damage.
- Indoor units are fitted with large, triple pane, tempered safety glass doors.
- 70% more open air channels than other brands to provide air flow.
- Two-part acrylic polyurethane coating offers mid-range gloss and excellent weather ability. Epoxy primer formulated to have excellent adhesion and corrosion and humidity resistance.
- PVC bottom skid plates for non-marking of floor surfaces.
- Door openings feature high impact vinyl breaker strips to provide better impact resistance and greater durability to handle harsh conditions.
- Drain plug - recessed drain for easier and complete water draining.
- Wrap around full top and compressor cover help to protect from unexpected debris.
- Easily accessible refrigeration service valves.
- Low temperature sealed condensing units.
- Drop-down unit cooler allows ease of service.
- Now featuring electronic controls.
- LED interior lighting.
- Packaged with non-marking corner protective V-boards and dust cover for dirt/debris protection.

Model L30-FGF

Classic Indoor Ice Merchandisers

Auto Defrost Shipping Weight 345 lbs. (approx.)

We maximize efficiency in our efforts to be Green

- 3" floor insulation and 2.5" ceiling and wall insulation for increased R value over other brands
- Leer merchandisers meet Department of Energy (DOE) energy conservation standards
- Recyclable shipping materials
- Reduced operating costs - up to a 30% energy savings over other brands
- NSF Approved indoor and outdoor units now available

Leer has been designing, building and improving ice merchandisers since 1952. We keep a large inventory of finished goods and replacement parts on hand at all times. Over 50 models of merchandisers, including cash-less self-vending machines are available from stock and through our distribution partners.
